

Mr. Speaker, there is no one right way to solve this problem, but we must solve it. We must focus our collective energy, the House, the Senate, and the White House, to solve this problem for the sake of all of our children. Let us come together and make a real commitment to find a solution. Let us put aside partisan differences, and let us join together to help each and every one of our children.

None of our children, not one, should be left out or left behind. We can, we must work together to provide health care for all of our children. The future of our children and the future of our Nation depends upon it.

PRAYER

The Reverend Dr. Ronald F. Christian, Evangelical Lutheran Church of America, Washington, DC, offered the following prayer:

Almighty God, we acknowledge that You have made us in Your own image, so we pray: Look with love and compassion on Your whole human family. Take away from any of us the arrogance we may have for our own importance and significance. Dissolve any hatred that infects our hearts and inflicts our spirits. Break down the walls that may separate us one from the other. And, through our struggle and confusion, use our work to bring about Your purpose, so that in Your good time and season our work and our efforts and our decisions may serve the common good of all Your people, and in quiet harmony may they promote Your will and goodness. Amen.

MARKET ACCESS PROGRAM ELIMINATION ACT

(Mr. CHABOT asked and was given permission to address the House for 1 minute.)

Mr. CHABOT. Mr. Speaker, a lot of the backroom deals in this town involve taking money away from middle-class people who work for it and then giving it to special interests who lobby for it.

One of the most outrageous transfer programs around now is called the Market Access Program, or MAP. In this particular scheme the Government takes money away from taxpayers and gives it to corporate trade associations to advertise their products overseas. We are dipping into the pockets of average Americans in order to subsidize private, politically preferred business dealings. So when I say the program is outrageous, I mean just that. It should cause outrage. It is about as close to legalized theft as you can get.

If businesses want to advertise overseas, great. They should do it, but with their own money. They should not beg Congress to squeeze the taxpayers even more than they are already squeezed with the high taxes we have in this country.

That is why the gentleman from New York [Mr. SCHUMER] and I have introduced H.R. 972, the Market Access Program Elimination Act. If you want taxpayers to be able to keep more of their

own money rather than having it go to groups like the Dry Pea and Lentil Council, please join us in this effort. Let us get rid of the Market Access Program.

AMERICA SOLD LOCK, STOCK, AND PORK BARREL

(Mr. TRAFICANT asked and was given permission to address the House for 1 minute.)

Mr. TRAFICANT. Mr. Speaker, news reports say that China tried to influence and buy last year's Federal elections, including the Presidency. All of America is in an uproar. Newspapers are in shock and people are calling the talk shows on the radio and saying they believe America is for sale. Can you blame them?

China gets most-favored-nation trade status but sells missiles to our enemies. Japan keeps raping our marketplace, approaching \$70 billion in surpluses, and they keep denying our products. Mexico gets billions of dollars from us and they ship narcotics to our streets. And now American companies overseas are advertising in the newspaper for American workers to move overseas and get a good, livable wage job.

Beam me up, Mr. Speaker. America is not for sale. I think America has already been sold, and I think Congress should start looking into it. Sold, lock, stock, and pork barrel.

PROTECT AMERICA'S BORDERS

(Mr. SAM JOHNSON of Texas asked and was given permission to address the House for 1 minute.)

Mr. SAM JOHNSON of Texas. Mr. Speaker, I like those last remarks.

Mr. Speaker, I am outraged, also, at the President's lack of leadership in protecting our borders from the invasion of Mexican drug lords.

An article in the Dallas Morning News yesterday illustrated the national disaster we now have on the Texas border. Our ranchers, their families, live in constant fear. Their cattle and dogs are being killed by the drug guys. Their houses are being robbed. Recently a Border Patrol guard was gunned down by drug smugglers. These Americans live in a virtual war zone with no relief in sight.

Eight months ago our drug czar stood in Texas and announced swift action must be taken. Congress responded by authorizing 1,000 new drug agents in each of the next 5 years. Guess what? Our President only actually implemented 500.

It is time for this President to stop paying lip service to a problem that demands attention now. No one in America should be held hostage in their own house. We protect the borders around the world. It is time we started protecting our own.

HEALTH CARE FOR CHILDREN
